

# KW - TOOL STAND

## KW-TOOL STAND

Tool Stands are recommended to protect your investment and decrease clutter on your workbench. The KW-Tool Stand will support up to 10lbs total. Tool stand, when combined with the proper balancer (not included), keeps the tool off of the work surface.

### Features:

- The KW tool stand will support up to 10lbs
- Aluminum construction
- Adjustable height to 44 inches
- Reach to 24 inches
- Arm pivots 180 degrees
- Slide hanger for horizontal motion
- Add a second arm with kit #KW-ARMKIT
- Attach stand to bench without drilling holes with bench clamp #KW-CLAMP

### Optional Accessories

KW-CLAMP

KW-ARMKIT  
EXTRA ARM KIT (INCLUDES SLIDER AND HANGER)
